

REMOVE HR10

READY-USE HAZE REMOVER LIQUID

APPLICATIONS

Removes stains, haze, ghost images from mesh for screen recycling.

CHARACTERISTICS

- ◆ Ready to use
- ◆ Is able to remove the toughest stains
- ◆ Works in minutes
- ◆ Low odor during use with pressure washer

FEATURES/BENEFITS

- ◆ Viscous cling to prevent run off and minimize waste

DIRECTIONS FOR USE

After ink and stencil removal, spread gel on stained areas of mesh. Apply by coating with stainless steel scoop coater, 2 coats on each side of screen, or spread gel on screen with brush or screen scrubber. Let sit for 7 to 10 minutes, a longer time may weaken mesh. Pressure rinse screen from bottom to top with a pressure washer keep nozzle close to screen. Flood rinse screen with a garden hose to remove any residue after the pressure rinse. For very tough stains, dry screen before application.

HEALTH AND SAFETY

Before using, refer to appropriate material safety data sheets.
